

Thank you to all PDA members who voted!

As you know, the Union Board and management proposed a time frame adjustment to the current Transfer Policy in the MOU that affects members in the classification of Deputy Probation Officer.

After tallying all votes, it has been determined that PDA members are in **support** of the changes. We appreciate your support and believe that this change will have a positive impact on the transfer process and will benefit the members. Adjusting the time frame to April will allow Deputy Probation Officers to transfer into the vacated positions of members who retire, promote, etc. after March. The previous time frame restricted that option.

The Board believes the time frame adjustment will be the best practice in implementing a fair transfer process and will offer more transfer opportunities for our members.

Thank you again for your vote!
