

UNION TREASURE STATEMENT

Hello, my name is Ana Davila. I have been with Probation for three years as a Group Supervisor. I would like to be your Union Treasure for the Probation and Detention Association so I can represent its members. I believe I'm the perfect candidate because I am interested in expanding my professional horizons and highly motivated to tackle new challenges as a Treasure. In my previous employment, I have managed the budget of multiple programs and reconciled large sums of money between accounts. I have superior communication skills, both oral and written. I can work effectively and efficiently. I am also a team player and inspire others to do the same. Self-disciplined and self-motivated are my personal attributes that are the foundation of my strong work ethic, and confidentiality is my number one priority.
