

Hello, my name is Rigoberto Jimenez, and I am running for a PDA Director spot. This is my second stint on the board, as I previously represented Camp Glenwood and Camp Kemp for two years. I would like your vote to serve you for another three-year term.

I worked for 10 years in institutions, finishing at GS III in the older boy's unit. While at the YSC I served on the programming discipline team that helped the Director and multiple ISM's prepare for changes in the way programming is run due to changes from the state capitol. During this time, I was able to build working relationships with management that I continue to utilize as a board member. I believe my experience as a DPO the last 2.5 years and working with adult upper management in monthly meetings has also afforded me the ability to communicate more competently with PSM's.
